For residents of Canada only

This page is provided as a service of Novartis and is not intended to replace the advice of a physician. We are not able to answer questions about your personal health, or about other individual medical matters or treatment regimens.

If you have a question about your personal health, please consult your physician. Should your physician have a question or information which he/she wishes to pass along to Novartis, then your physician may contact the medical department at Novartis Pharmaceuticals Canada Inc. Novartis is committed to protecting and safeguarding your privacy. Your email and its content will be used to answer your question. We will not send you unsolicited materials, nor place you on any lists. Here is our [Legal and Privacy Disclaimer](#) in full. Thanks for placing your trust in Novartis.
